The vehicle’s design and posture evokes the open spaces combined with luxury comfort. The car, which was driven by a woman in her 80s, reportedly mounted the curb and collided with the girls while they were waiting to catch a bus. The stalling of the devo-deal came in the same week that scientists proved the theory of relativity with the discovery of gravity waves. There’s a lot of silliness that goes on. Even as the diplomats debate in Europe, the shape of the battlefield is shifting rapidly. According to the latest figures, 2014 was its busiest year to date, with a 20% jump in calls and a doubling of calls from people with early-stage dementia. According to the latest figures, 2014 was its busiest year to date, with a 20% jump in calls and a doubling of calls from people with early-stage dementia.
